- \$100,000+ is being achieved right now!
- Based in Toowong, Brisbane.

What is the opportunity?

We are already one of the largest residential property management firms in Queensland, and we are now looking to further expand our team of 28 property professionals.

This is a great opportunity to get a start in real estate, or to take advantage of your existing real estate experience.

You will enjoy our modern professional offices and a supportive team environment, and your contribution will be recognised with monthly and annual staff awards.

You will also benefit from our great systems and procedures and you will receive ongoing training and sponsored professional development.

What are we looking for?

You must have, or be willing to obtain, your Real Estate Registration Certificate.

You will need good communication skills, both written and verbal, an organised approach to life, a responsible attitude, the ability to multi-task, and the willingness to learn.

Ideally you will also be seeking a long term career in the industry and have a desire to purchase your own investment properties.

What will you be doing?

Upon joining, you will receive an in-depth 3-month training induction into our four operational divisions of Leasing, New Business, Administration, and Property Management.

Having completed this induction you will then be able to commence managing your individual portfolio of residential investment properties.

As a property manager you will draw upon the resources of the team (for example Leasing to find you tenants and Administration to collect the rent) to assist you in delivering our service package.
